Montreal, the 31st of March, 1993

To whom it may concern,

This is to certify that we have employed Mr. Roger Widmer of Montreal, Quebec, SIN 261-714-711, in our Montreal offices from February 1990 through April 1993.

Mr. Widmer has been employed in the capacity of an Export Trader, and as such has been responsible for the non-speculative export of a variety of food products including: pickled meats, pulses, sugar, fresh fruit, and pasta to the Caribbean and the Far East, under my supervision.

His responsibilities included among others the domestic sourcing, purchase and price negotiation, timely shipping, foreign sales, and calculations of finance for the items he has been trading.

We found Mr. Widmer to be quick and eager to learn, diligent, and responsible. With his pleasant manner and good humour he was well liked by all the staff here.

Mr. Widmer leaves our firm today, of his own accord, to pursue his career elsewhere. We wish him good luck in his future endeavours and highly recommend him to any employer.

Yours very truly,

B. Terfloth + Cie (Canada) Inc.
